Welcome Message

Dear Colleagues,

The Egyptian Society of Chest Diseases And Tuberculosis is deeply honoured to invite you as a distinguished guest to share and attend the 60th.

Anniversary meeting, which is the main event of the year for chest diseases in Egypt.

This year will be truly an outstanding gathering for the Middle East and the Arab World, of continuous giving, caring and partnership.

The annual meeting is the biggest event for pulmonologists in Egypt and Arab world and we promise to make this year truly special.

Our meeting aims at updating chest physicians with recent Knowledge given by highly experienced professors.
