WELCOME TO  
THE 2<sup>ND</sup> WORLD  
BRONCHIECTASIS  
CONFERENCE

Dear Colleagues,

It is our great pleasure to welcoming you in Milan for the **2<sup>nd</sup> World Bronchiectasis Conference**.

Following a successful first edition held in Hannover in July 2016, we are honoured to meet the challenge to organize this second edition.

As you well know, the lack of strong evidence in bronchiectasis limits our clinical practice and our aim is to share our experiences and work together to design targeted therapies.

The organization of a conference specifically dedicated to bronchiectasis represents a further important step to make this illness no more a neglected disease.

In this regards we are very happy to acknowledge the participation of 300 delegates with more than 120 submitted abstracts. Outcomes of the latest researches will be reported in lectures, oral presentations and displayed in an extensive poster area where we expect to have a dynamic and constructive discussion.

Joining forces, exchanging clinical experiences, sharing data and ideas, creating a network of active experts and investigators in the field of bronchiectasis are the main goals for this conference.

We hope you will enjoy the conference as much as we enjoyed organising it.

Yours Sincerely,

Francesco Blasi

Professor of Respiratory Medicine, Department of Pathophysiology and Transplantation, University of Milan, Italy  
Member of Board of Directors, University of Milan, Italy  
Head Internal Medicine Department, Respiratory Unit and Adult Cystic Fibrosis Center, Fondazione IRCCS Cà Granda Ospedale Maggiore Policlinico Milan, Italy  
Co-chair of the Italian (IRIDE) Registry of adult bronchiectasis

Stefano Aliberti

Associate Professor of Respiratory Medicine, University of Milan, Italy  
Consultant, Respiratory Unit and Adult Cystic Fibrosis Center, Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico, Milan, Italy  
Co-chair of the European (EMBARC) and the Italian (IRIDE) Registry of adult bronchiectasis  
Chair of the Italian Registry on Non-Tuberculous Mycobacteria (IRENE)  
Head of the Respiratory Infections Assembly, European Respiratory Society

Organised by:

SCIENTIFIC  
COMMITTEE

**Chair**

Prof. Dr. Francesco Blasi, Milan, Italy

**Co - Chair**

Prof. Dr. Stefano Aliberti, Milan, Italy

**Members**

Dr. Timothy Aksamit, Rochester, MN, USA

Dr. James D. Chalmers, Dundee, UK

Dr. Lucy Morgan, Sydney, Australia

Dr. Eva Polverino, Barcelona, Spain

Prof. Dr. Tobias Welte, Hannover, Germany

TOPICS

Epidemiology of bronchiectasis

Investigations, aetiology and pathophysiology of bronchiectasis

Clinical and radiological aspects of bronchiectasis

Exacerbation of bronchiectasis

Non-tuberculous mycobacteria

Chronic Infection and antibiotic / anti-inflammatory treatment in bronchiectasis

Physiotherapy, pulmonary rehabilitation and surgery in bronchiectasis

Cystic Fibrosis

6 JULY 2017

## Postgraduate Courses

## Pre - Registration COMPULSORY

The conference will start with 3 "Postgraduate Courses" running in parallel and repeated so that participants can attend one or two sessions.

Maximum number: **40 participants** per postgraduate course on a first-come, first served basis.

On - line pre-registration to the postgraduate courses is **COMPULSORY**.

14.00-15.30

Sala 1

**A** How to set up (and implement) my bronchiectasis clinic

*Anne O' Donnell (Washington, DC, USA)*

Sala 2

**B** Respiratory physiotherapy and rehabilitation in bronchiectasis

*Judy Bradley (Belfast, UK), Brenda O'Neil (UK), Katherine O'Neil (UK)*

Sala 3

**C** Immunological evaluation in bronchiectasis

*Tanya Coulter (Belfast, UK)*

15.30-16.00

Cortile 700

### Coffee Break

16.00-17.30

Sala 1

**A** How to set up (and implement) my bronchiectasis clinic

*Anne O' Donnell (Washington, DC, USA)*

Sala 2

**B** Respiratory physiotherapy and rehabilitation in bronchiectasis

*Judy Bradley (Belfast, UK), Brenda O'Neil (UK), Katherine O'Neil (UK)*

Sala 3

**C** Immunological evaluation in bronchiectasis

*Tanya Coulter (Belfast, UK)*

18.15-18.30

Aula Magna

### Opening address

*Francesco Blasi (Milan, Italy), Gian Luca Vago (Rector of the University of Milan)*

18.30-19.00

Aula Magna

### KEYNOTE LECTURE:

#### From Hannover to Milan: have we really moved forward?

*Tobias Welte (Hannover, Germany)*

19.00-19.30

Aula Magna

### Best Rising Star Presentation

#### Identification of Pseudomonas aeruginosa Airway Colonization by an Electronic Nose in Bronchiectasis Patients

*Guillermo Suarez-Cuartin (Barcelona, Spain)*

19.30-22.00

Loggiato del Rettorato

### Welcome Cocktail

FRIDAY  
7 JULY 2017

08.00-09.00

Cortile 700

**Thematic posters' session**  
*Details at pages 10 and 11*

09.00-12.45

Aula Magna

**SESSION 1**  
**UNDERSTANDING THE HETEROGENEITY OF BRONCHIECTASIS**  
*Chairs: Hamdan Al Jahdali, (Riyadh, Saudi Arabia)*  
*Francesco Blasi (Milan, Italy)*

09.00-09.30

**All bronchiectasis patients have cystic fibrosis, until proven otherwise?**  
*Carlo Castellani (Verona, Italy)*

09.30-10.00

**Imaging inflammation- can we phenotype by CT?**  
*Harm Tiddens (Rotterdam, The Netherlands)*

10.00-10.20

**Oral Presentation**  
The impact of macrolide therapy on the lung resistome: a novel pooled-template shotgun metagenomics combined with bespoke gene-specific quantitative PCR  
*Steven Taylor (Thebarton, Australia)*

10.20-10.50

**The impact of age and comorbidities in bronchiectasis**  
*Melissa J. McDonnell (Galway, Ireland)*

10.50-11.15

Cortile 700

**Coffee Break**

11.15-11.45

**Alpha1-antitrypsin deficiency and bronchiectasis**  
*Timm Greulich (Malbourg, Germany)*

11.45-12.15

**PCD: from children to adults, from registers to guidelines**  
*Lucy Morgan (Sydney, Australia)*

12.15-12.45

**Rising Star Presentation**  
The bacterial diversity of the Lung Microbiome of Children with Non-CF Bronchiectasis at diagnosis is similar to healthy controls - opportunities for preservation  
*Anna Mulholland (Auckland, New Zealand)*

12.45-14.15

Cortile 700

**Lunch break & visit to exhibition and poster area**

6

Organised by:

FRIDAY  
7 JULY 2017

14.15-14.35

**Rising Star Presentation**

Prevalence of Dynamic Hyperinflation and Aerobic Capacity Assessment in Bronchiectasis Patients

*Rodrigo Athanzio (São Paulo, Brazil)*

14.30-19.15

Aula Magna

**SESSION 2****A FOCUS ON...NON - TUBERCULOUS MYCOBACTERIA**Chairs: *Michael Loebinger (London, UK)**Stefano Aliberti (Milan, Italy)*

14.35-15.05

**Why people get NTM infection?***Kennet Olivier (Bethesda, MD, USA)*

15.05-15.25

**NTM transmission: state of the art***Rachel Thomson (Brisbane, Australia)*

15.25-15.55

**Oral Presentation**

Prevalence, risk factors and prognosis of Non Tuberculous mycobacteria infection and active disease among patients with bronchiectasis in Israel: a patient database search

*Michal Shteinberg (Haifa, Israel)*

15.55-16.20

Cortile 700

**Coffee Break**

16.20-16.50

**Treatment of NTM in 2017: doubts and certainties***Charles L. Daley (Denver, CO, USA)*

16.50-17.10

**International guidelines on NTM***Jakko van Ingen (Nijmegen, The Netherlands)*

17.10-18.15

Cortile 700

**Thematic posters' session***Details at pages 12 and 13*

18.15-19.15

**KEYNOTE LECTURE:****Research priorities in pulmonary NTM***Tim Aksamit (Rochester, MN, USA)*

SATURDAY  
8 JULY 2017

08.00-09.00

Cortile 700

**Thematic posters' session**  
Details at pages 14 and 15

09.00 -12.10

Aula Magna

**SESSION 3**

**TREATMENTS IN BRONCHIECTASIS: EVIDENCE VS. EXPERT OPINIONS**

Chairs: Miguel Angel Martinez Garcia (Valencia, Spain)  
Alan Barker (USA)

09.00-09.30

**KEYNOTE LECTURE:**

**The regulatory agency perspective**

Sergio Bonini (European Medicines Agency)

09.30-10.00

**Oral Presentation**

Inhaled Liposomal Ciprofloxacin In Patients With Bronchiectasis And Chronic Pseudomonas Aeruginosa Infection: Results From Two Parallel Phase III Trials (ORBIT-3 and ORBIT-4)

Charles Haworth (Cambridge, UK)

10.00-10.30

**Challenging inhaled antibiotic trials: is it the drug or is it the design?**

Stuart Elborn (London, UK)

10.30-10.50

Cortile 700

**Coffee Break**

Chairs: Stefano Aliberti (Milan, Italy) and James D. Chalmers (Dundee, UK)

10.50-11.20

**New targets of treatment in bronchiectasis**

Mario Scuri (Milan, Italy)

11.20-11.40

**Rising Star Presentation**

Pathophysiology of bronchiectasis: beyond FEV1 and airflow obstruction

Dejan Radovanovic (Milan, Italy)

11.40-12.10

**Clearing the air - physiotherapy and mucoactive drugs**

Ashwin Basavaraj (New York, NY, USA)

12.10-13.40

Cortile 700

**Lunch break & visit to exhibition and poster area**

**SESSION 4**

**FILLING IN THE GAPS**

*Chairs: Pieter Goeminne (Leuven, Belgium)*

*Lucy Morgan (Sydney, Australia)*

13.40-14.10

**5 key issues in the management of an exacerbation**

*Antoni Torres (Barcelona, Spain)*

14.10-14.40

**EMBARC: Where are we now?**

*Francesco Blasi (Milan, Italy)*

14.40-15.10

**Report from the EMBARC/BRR working group on bronchiectasis definition**

*Tim Aksamit (Rochester, MN, USA), Stefano Aliberti (Milan, Italy),*

*James D. Chalmers (Dundee, UK), Pieter Goeminne (Leuven, Belgium),*

*Anne O' Donnell (Washington, DC, USA)*

15.10-15.40

**Bronchiectasis patients in action – a global update**

*Marta Almagro (Barcelona, Spain), Annette Posthumus (Overveen, The*

*Netherlands)*

15.40-16.00

**Meeting closure**

GENERAL  
INFORMATION

### Admission

Barcode letter with general information on the congress will be sent to all registered participant one week before the conference. Print your barcode letter and bring it with you to collect you badge and congress material.

The participant's name badge will be provided at the registration desk. All participants are requested to wear the badge throughout the congress.

**Only badge holders will be admitted to the appropriate sessions, exhibition and social events.**

### Wifi

Wifi will available in the meeting spaces and in the exhibition area.

Password: [convegni201704unimi](#)

### Certificate of Attendance

The certificate of attendance will be downloadable from the website

<http://www.world-bronchiectasis-conference.org/> using your personal credentials sent by e-mail from July 11<sup>th</sup> to July 23<sup>rd</sup>, 2017.

For Sponsored Groups: Please note that to send the certificate of attendance to each participant, we will need the personal e-mail address of each participant.

Certificate of attendance could be delivered only to registered participants who attended the congress.

### European Accreditation

The 2<sup>nd</sup> World Bronchiectasis Conference, Milan has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 14 European CME credits (ECMEC®) covering the whole programme.

EBAP (European Board for Accreditation in Pneumology) has granted 14 CME Credits covering the whole programme.

### Language

English is the official language of the Congress. No simultaneous translation will be provided.

### Insurance

The Congress organizers cannot accept liability for personal injuries sustained, or for loss or damage to property belonging to Congress participants, either during or as a result of the Congress. Registration does not include insurance. It is strongly recommended that you take an insurance policy of your choice as you register for the Congress and book your travel.

### Secretariat

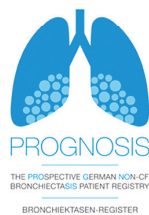

The secretariat desk will open on Thursday, 6 July and will stay open all through the Congress.
